To register your vehicle the following documentation must be provided:

- ° Photocopy of a personal ID document.
- ° Photocopy of the vehicle circulation document (page with technical data).
- ° Photocopy of certificate of ownership (if not in the name of the applicant, a declaration of ownership is required indicating chassis number and vehicle registration number).
- ° Photograph of the vehicle (15 x 10) $\frac{3}{4}$ front view against a plain background.
- ° Photograph of the vehicle (15 x 10) $\frac{3}{4}$ rear view from the opposite side.
- ° Photograph (15 x 10) of the interior upholstery (seats without covers).
- ° Photograph (15 x 10) of the metal plaque with basic vehicle information.
- ° Sum of 40 euros for each vehicle (attach photocopy of payment).

The present application must be completed in full.

In the case of missing information, it will not be possible to process the present application and the documentation will not be returned.

I assume full responsibility for the accuracy of the above information.
